

The Privacy Parent Questionnaire

Age:

Hometown:

Do you remember NOT having email or internet access?

How old were you when you got your first smartphone?

Which social media sites / platforms have you used? Do you still use them?

Which do you like best? Why?

What kinds of photos and stories do you like to share? Why?

Have you ever been bullied via social media? If so, what was it like?

Have you ever participated in bullying anyone via social media?

Have you ever been hacked?

Do you have any friends—people with whom you have meaningful relationships—that exist entirely online?

Do you talk about digital privacy with your friends? What kinds of concerns or issues do you discuss?

Do you feel like you can maintain your privacy and control over your personal information and image?

Do you take steps to protect your digital privacy? If so, explain.

Do you use a smart speaker like Alexa or Google Home? Why / why not?

Lots of companies track our digital footprints, does that bother you? Explain.

How do you feel about the digitization of our lives? Are you worried about the future of Tech, or hopeful?
